

Metalunic - Ware-Butler Distribution Partnership Announcement

Metalunic is pleased to announce our distribution partnership with Ware-Butler Building Supply of Maine

Metalunic (www.metalunic.com) is a manufacturing company with over 20 years of experience specializing in exterior building envelope products serving customers across Canada and the USA focusing on the residential, commercial, industrial, and farming sectors. Metalunic manufactures steel and aluminum based siding, roofing and numerous types of moldings and trims exclusively using only North American Steel.

Ware-Butler Building Supply (www.warebutler.com) is Maine's choice for building supplies and lumber, offering reasonable and competitive prices on a wide range of products and services. We are proud to serve homeowners and contractors since 1925. We are a family-owned operation with multiple locations across the state with 14 locations.

Ware-Butler Building Supply will be stocking Metalunic's Architectural Steel Siding and Accessories that replicates the timeless look of authentic wood siding without the long-term maintenance.

Please contact your local Ware-Butler Building Supply location or Metalunic for more information.

Sincerely,

Ron Bechard, MBA
